National School Counseling Week Proclamation

WHEREAS, school counselors are employed in public and private schools to help students reach their full potential; and

WHEREAS, school counselors are actively committed to helping students explore their abilities, strengths, interests, and talents as these traits relate to career awareness and development; and

WHEREAS, school counselors help parents focus on ways to further the educational, personal and social growth of their children; and

WHEREAS, school counselors work with teachers and other educators to help students explore their potential and set realistic goals for themselves; and

WHEREAS, school counselors seek to identify and utilize community resources that can enhance and complement comprehensive school counseling programs and help students become productive members of society; and

WHEREAS, comprehensive developmental school counseling programs are considered an integral part of the educational process that enables all students to achieve success in school;

The Week of February 3-7, 2003, is proclaimed as National School Counseling Week.

Middle School	Beatrice Pfaff
High School	Rachele Powers (Lane Grover will sub this morning.)
	Melba Scalf
Principal's Office	Wanda Kirby
Outreach	
BSU Participants	Myriah Dixon - Late

Announcements

Sports Update

HS Girls Basketball - Indiana 79 Michigan 9 First Round of CSSD - We had too much talent for the Lady Tartars. The Players of the Game were the entire ISD Team.

Indiana 69 Texas 51 Semi Final of CSSD - It was good and hard battle in the first half between these two teams. In the first three minutes of the third quarter, our quick spurt put the game away over the Lady Rangers and allowed us to advance into the championship game. The Players of the Game were Pia Marie Paulone, Elsie Ritchie and April Young.

Indiana 60 Ohio 49 Championship Game of CSSD - Emotions had drained our players' minds after our victory over the Lady Rangers on the previous day. We were facing the revenge minded Lady Spartans. The Lady Spartans started the game the way they did against us a week ago by getting a double-digit lead. We rallied and overtook them in the fourth quarter due to their foul troubles and turnovers. The Players of the Game were Erica Hossler, Jorjan Jeter, Pia Marie Paulone, and Elsie Ritchie
CSSD All-Star Team Members from ISD are Erica Hossler, Pia Marie Paulone, and Elsie Ritchie. Our current record is 13 - 7; and our next game is at Illinois on 2/8/2003.

HS Swimming - We competed in the City Meet last Saturday. The Girls and Boys Teams came in eighth place out of nine teams. We got a new school record for the 500 Free; the old record was broken by Jeremy Wright again! The new record is 6:43.5. He came in third place. We had several personal bests. Lindsey Dougherty improved in the 500 Free by seven seconds. Zuzana Duran improved her 50 Free by two seconds. Stasia Greenberg improved her 100 Free by two seconds. Galen McCallum improved 100 Back by one second. C.L. Young improved in the 100 Free by one second. In the 400 Free Relay G. McCallum, C.L. Young, D. Magnabosco and J. Wright came in fourth place. Our next meet is tomorrow against Ritter/Seccina at the ISD Pool at 4:30 PM. Come and support us!

Distance Learning Opportunities

Khabir the Storyteller - He will dramatically portray Pvt. George Washington, an African American member of the 28th Indiana Infantry as part of the Arts Council's Art and Soul series honoring artistic achievements of African Americans. The program is appropriate for grades 3-8 and will occur on February 20 from 8:45 to 9:45 am. You must register with Dan Stutler before February 6, 2003.

Hail to the Chief - President Benjamin Harrison will speak to your class and tour you through his mansion. He will teach you the history of the song, "Hail to the Chief," and explain the seven jobs, which every President of the United States must fulfill. The event is for 4th and 5th graders and will be on February 10th at 9:30 to 10:15 am or 1:00 to 1:45 pm. You must register for the class with Dan Stutler before January 29.

Almost, Mr. Edison - On the fiftieth anniversary of the incandescent lamp (October 21, 1929), Thomas Edison speaks to students revealing facts and fiction about himself. The event is for middle school

and high school students and is on February 12 from 1:00 to 2:00 pm. Contact Dan Stutler before February 3 to register.

TV Certification - The Technology Center has the TV Studio certification program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Training Opportunities through Distance Learning – These workshops can be taken in our school's Distance Learning Classrooms through videoconferencing. Contact Dan Stutler for more information.

<u><i>SESSION 5</i></u>	<u><i>TIME</i></u>
May 12 th	4:00 – 6:00 p.m.

DIFFERENTIATED INSTRUCTION

PRESENTERS: Barbara Horvath and Cathy Hart from Indiana University's Center for Education and Lifelong Learning have worked with faculties throughout Indiana to increase student learning through responsive teaching and differentiated instruction. Their teacher-tested strategies and teacher-friendly presentation style have made them sought-after presenters.

TARGET

AUDIENCE: Curriculum Directors, K-12 teachers, administrators, G/T staff, Special Ed. staff

COST: \$100 per participant: includes registration, continental breakfast and lunch for on-site days, all materials, and distance learning

TIMES: **On- Site Locations** 9:00 a.m. – 3:00 p.m. (on-site times)
Video Conferencing Sessions 4:00 – 6:00 p.m.

DIFFERENTIATED In the true spirit of differentiation, consider a personalized journey leading toward **INSTRUCTION:** quality instruction that embraces students' strengths and supports learners' challenges. Participation in flexibly grouped activities will allow you multiple opportunities to reflect on your current practices. Active consideration of alternatives that further engage learners in powerful, purposeful activities will allow you to apply the principles of quality differentiation in your daily practice.

Each distance education opportunity will focus on a component of differentiated instruction. Deep understanding of each of these elements establishes a framework for thinking differently about learning opportunities for students. Understanding the framework of differentiation will prepare you to design a lesson, a unit, a theme, a service-learning project and/or to utilize flexible grouping based on pre- and in-process assessment. Your personal and professional outcomes will determine the depth of application.

TOPICS: Classroom Flexibility and Community

- Maximizing space, time, and materials flexibly
- Designing effective and efficient student work teams
- Empowering students to fully benefit from work team experiences
 - Using student profiles to design flexible groups

Quality Curriculum

- Developing a conceptual format emphasizing quality curriculum
 - Developing plans to extend student engagement
 - Using student profiles to design flexible groups

Reflections on Students

- Seeking and using student input
- Using learner profiles consistently
- Assessing students to guide instruction

Instructional Approaches

- Applying varied approaches—based on standards—to content, process and products

SESSION We will begin our shared growth experience at one of the **on-site locations (see the following page)** in Jasper, Carmel or Madison, IN. This will be our opportunity to meet all of you in person and more formally chart our course. We will meet for **one more day in person at one of these locations. We will work together on both days from 9:00 a.m. to 3:00 p.m. (on-site location time). Continental breakfast and lunch will be served.**

The videoconferencing (distance education) opportunities will follow the on-site sessions from 4:00 – 6:00 p.m. on Monday afternoons (see below). **Each session will utilize a variety of instructional strategies (mini-presentations, video clips, group interaction, and small-group activities) and will require active participation. (Each participant selects one session.)**

Balanced Assessment

with a focus on Rubrics as a Tool for

Authentic Assessment of Student Learning Standards

Student learning standards are about both knowledge and performance. Within this standards-based learning environment, tools to create a balanced assessment system are essential to measure student progress. This workshop will take a fresh look at tried and true tools and provide in-depth experience in creating user-friendly rubrics aligned to Indiana Academic Standards and Indicators. We will explore and create paper and pencil tests; checklists; rating scales; and product, performance, and process rubrics. Participants will also have the opportunity to share their rubrics.

About the Presenter

Sharon Schultz is one of the busiest and most popular educational consultants working with districts throughout Indiana and across North America. She heads up ITEAM, the premier mentor certification program in our state, and teaches at Ball State University.

Target

Audience: All K-12 teachers and administrators

Dates: February 17, February 24, March 3, March 17, April 14, and April 21 (6-part series)

Time: 4:00–5:30 p.m. (Indianapolis time)

Cost: \$75 per participant, or \$250 per site, includes six 90-minute sessions, all handouts, and e-mail technical assistance between meetings. *No refunds available. Schools pay their own line charges.*

Registration Information:

- ♦ Registration deadline is **Monday, February 10th**.
- ♦ For more information, contact Tonia Carriger at 317.231.6587.
- ♦ All programs may have multiple viewing sites; there are no point-to-point connections available.
- ♦ *Registrations will be taken on a first-come-first-served basis. CILC reserves the right to close registrations when workshops have reached maximum capacity or to cancel workshops that do not attain minimum requirements.*

ISD Daily News

One ought never to turn one's back on a threatened danger and try to run away from it. If you do, you will double the danger. But, if you meet it promptly and without flinching, you will reduce the danger by half. Never run away from anything. NEVER! – Winston Churchill

Sports Update

7th & 8th Grade Boys Basketball - Our players played against St Richard in the second round of tourney. St Richard defeated ISD 55 to 15. Coach Sigafoose is proud of the boys who were on the team in this long basketball season. They had been improving from the beginning to the last minute of yesterday's game! Our final record was 7 wins and 14 losses.

5th & 6th Grade Boys basketball - We played against Orchard in the second round of the tournament. Our game plan was to have a slow pace offense with hard-nosed, aggressive defense and rebound to not let them have second chance. We did that in the first quarter but were down by 4 points (11 to 7). In the second quarter our boys became impatient with our game plan and decided not to follow it. We paid the price because Orchard made a 17 to 1 run. We couldn't recover so we lost 50 to 33. After the game, Coach Crace told the boys that they must stick to the game plan; we could have beat them. It was a good lesson for our boys. Coach Crace told the boys that the basketball season was over. But, he was very proud of the boys, because they made a lot of progress in all areas. They did a great job. Our final record was 10 and 8.

Student Recognition Assembly - There will be a Student Recognition Assembly, today (Tuesday) in the Auditorium at 2:50 p.m. High School and Middle School students will be dismissed at 2:45 p.m. to report to the Auditorium by 2:50 p.m.. The assembly will recognize the student athletes that went to the CSSD tournament. Students who ride buses will be dismissed at 3:10 p.m.

ASL Storytelling at Glendale Mall - Thursday, February 6

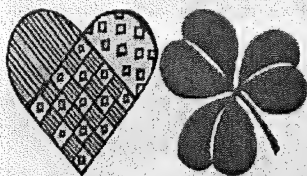

6:30 PM "Where the Wild Things Are"

7:00 PM "More Harry Potter"

Storyteller: David Geeslin

Meet in the food court or upstairs in the library story pit.

TV Studio Certification - The Technology Center has the TV Studio Certification Program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio Certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Sports Update

HS Swimming News - We swam against Ritter and Scecina last night. The boys got first place with a final score of 85-73-57. The girls were tied for second place with 68-68-119. Jeremy Wright broke his school record again in the 500 Free! The new school record is 6:37.0. He came in first in the 500 Free and 200 I.M. C.L. Young came very close in the 200 Free. His time was 2:31.7. The school record is 2:30.5. He came in first place in the 200 Free. Luana DeMello improved her 200 Free by ten seconds and 100 Free by two seconds. Emily Schultz came in first place in the 500 free and improved in the 100 Breast by one second. The swimmers did a good job! The next meet for girls is this Thursday at Carmel High School at 5:30 PM. It is the sectional meet. Come and support us!

ASL Storytelling Techniques - The Family Education Series presents *ASL Storytelling Techniques* by Glenda Zmijewski- Middle School Supervising Teacher & Early Childhood Educator for 25+ years on Thursday, February 27, 2003 in the Multi-purpose Room, Building 1 at 8:30 - 9:30am or 6:30 - 7:30 pm. Please RSVP by February 21 to DhJones@isfd.state.in.us if you plan to attend. Make sure you choose a time that you will be attending in your RSVP.

TV Studio Certification - The Technology Center has the TV Studio Certification Program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio Certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Distance Learning Opportunities

High School

- ❖ **Shift into Winter Safety...Cool Maneuvers for Slick Conditions** offered by Clarian Health explains how to interpret accidents affect on society. Access human error versus environmental factors and demonstrate accident prevention, emergency care and lifesaving techniques. Dates and times can be arranged.
- ❖ **HELP (Highway Emergency Lifesaving Program)** offered by Clarian Health demonstrates what to do and not to do in an emergency situation. Students will acquire six important tasks needed to recognize the emergency, decide to help, recognize and know how to check if a person is unconscious, and the steps needed to start breathing, stop bleeding and call for help. Dates and times can be arranged.

Elementary and Middle School

- ❖ **Who's Who in Indiana** offered by the Indiana State Museum. Students encounter five individuals who influenced growth in Indiana between 1856 and 1968. They are Willa Brown, aviator; Ralph R. Teeter, automotive pioneer; Dr. Mary Frame Myers Thomas, surgeon and suffragist; Dr. Charles Deam, botanist, and Wes Montgomery, jazz musician. Times are: Friday, February 21 8:45 – 10:00 or 10:15 to 11:30; Tuesday, March 11 8:45 – 10:00 or 10:15 to 11:30 or Thursday, March 20 8:45 – 10:00 or 10:15 to 11:30.

For STAFF

- ❖ **Asthma in the Classroom and School Sports** by Ball Memorial Hospital on Thursday, February 13 2:45 – 4:00 pm or February 20 11:45 am – 1:00 pm.

TV Certification - The Technology Center has the TV Studio certification program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Parent-Teacher-Counselor Organization

Indiana School for the Deaf
1200 E. 42nd. Street
Indianapolis, IN 46205

January 23, 2003

Dear ISD Staff,

The Indiana School for the Deaf will have their 52nd Anniversary PTCO Day 2003 Festival on Sunday, May 4, 2003 on the ISD campus. The Parent-Teacher-Counselor Organization (PTCO) coordinates the fund-raising event to help support the educational needs of the Deaf students. One of the main attractions is to sell the raffle. The prize money is as follow: 1st - \$500, 2nd - \$250, 3rd - \$125, 4th - \$75, 5th - \$50. Each ticket will cost \$1.00 or \$10.00 for whole book. We hope that you will support our endeavors to raise money for our students. Instead of sending the raffle tickets to you all like past few years, please contact me to send you a book consisting of 10 raffle tickets via campus mail. If you wish to sell more tickets, just say how many books you need!

It is very important to return to me before Thursday, May 1, 2003, or drop the raffle tickets at front lobby of Caskey Building during PTCO Day on Sunday May 4, 2003 before drawing time at 4:00 pm. Please share this information with your community friends about our PTCO Day 2003 Festival.

If you have any questions regarding the matter, please do not hesitate to contact me at the school or call 317-920-6282 TTY or FAX 317-923-2853 or email me at BPeters@isfd.state.in.us
Thank you very much for your support, and hope to see you on May 5th.

Sincerely yours,

Bruce W. Peters, PTCO Day Raffle Coordinator

cc: Barb Gantt, PTCO Day Coordinator

**The Indiana School for the Deaf Community promotes academic and social excellence for
Deaf and Hard of Hearing students through a Bilingual/Bicultural environment.**

Sports Update

HS Girls Swimming - The HS Girl's Swimming Team completed in the toughest sectionals in the state. Each swimmer swam two individual events. The following girls swam their personal best:

Emily Schultz in the 200 Free - Improved her time by four seconds

Luana in the 100 Free - Improved by two seconds and 200 free by ten seconds.

Stasia Greenberg in the 100 Free and 100 Breast - Improved by two seconds and by four seconds.

Lindsey Dougherty in the 200 IM - Improved by one second.

Congratulations to all of the girls for a great season, and special thanks to Emily Schultz for all her hard work and dedication to the ISD Swimming Team for the past four years

HS Boys Basketball - Indiana 70 - Whites' 42 The coaches were impressed with the boys' game preparation in spite of being overcome with the recent CSSD Championship loss. They were very eager to play as we played with great intensity in the first quarter, 25-5. Later, we started to play sluggishly and continued to throughout the rest of the game. However, our bench players got a lot of action with playing time. The Player of the Game was Jon Mowl.

HS Girls Sectionals - ISD drew 1A state-ranked #7 Clinton Prairie in the IHSAA sectional series. We will play them on Friday, February 14th at 7:30 pm at Tri Central HS.

Clerc Classic - Indiana School for the Deaf is proud to be the host of Clerc Classic Basketball and Cheerleading Tournament on December 11 - 13th of 2003. The chairperson is Jay Krieger (jkrieger@isfd.state.in.us); he will be sending more information soon.

TV Studio Certification - The Technology Center has the TV Studio Certification Program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio Certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Some Grant Opportunities

Arts@Work Grant Program - The NEA Foundation Arts@Work grant program encourages public secondary school arts specialists to collaborate with technology savvy educators and the business community to develop examples of technology-integrated arts curricula that meet high standards for student achievement. The grant amount is \$5,000 and up to 12 grants will be awarded. Grant funds may be used for hardware, software, consultants, release time, or other costs directly related to the development of standards-based curriculum that integrates the arts and technology. Application deadline: March 3, 2003. <http://www.nfie.org/programs/artsatwork.htm>

"BellSouth Foundation Opportunity Grants" - The BellSouth Foundation is currently accepting online concept papers for its 2003 Opportunity Grants program. Opportunity grants are available for unsolicited proposals that may not fit within the parameters of a specific BellSouth Foundation initiative, but that appear likely to add value to the Foundation's work within that priority area. Opportunity grants are available in four priority areas: leadership, teacher quality, college-going minorities, and technology. Grants are awarded once a year and requests should not exceed \$75,000. Application deadline: March 21, 2003. <http://www.bellsouthfoundation.org/grants/og/index.html>

"Service Learning Awards" - The State Farm Good Neighbor Service-Learning Award enables youth and educators to bring positive benefits of service learning to more young people. This grant is for both young people ages 5-25 and teachers to implement service-learning projects for National Youth Service Day 2003, April 11-13th. Fifty grants of \$500 each will be available to young people and fifty grants of \$1,500 will be available to teachers (to engage classes). Application deadline: February 28, 2003. http://www.ysa.org/awards/award_grant.cfm

"American Youth Policy Forum Fellowship" - The American Youth Policy Forum (AYPF) announces the inauguration of the Howard Howe II Fellowship to be awarded each year to a promising young scholar or scholar-practitioner. The Fellow will carry out a self-designed project on significant issues in youth policy, practice, research or program evaluation, focusing particularly on disadvantaged youth. The Fellowship is supported under a grant from the Ford Foundation. The first Fellowship will be available for work commencing in the summer or fall of 2003. Proposal deadline: March 1, 2003. <http://www.aypf.org/whatsnew.htm>

"The SBC Foundation" - The SBC Foundation has announced the opening of its 2003 SBC Excelerator competitive technology grants program. Now in its second year, SBC Excelerator will provide \$9 million in competitive grants to help nonprofits fully integrate technology into their ongoing operations and community outreach. The program will fund projects that build the technology infrastructure of nonprofits, enabling them to increase their organizational effectiveness and/or service capability in areas such as Internet access, data networking, online outreach, staff technology capacity, and pooled technology resources. Grants will range from \$2,500 to \$25,000 and are for one year in length. Collaborations by two or more organizations will be considered for grants up to \$50,000 for one year. Application deadline: April 22, 2003. <http://www.pnnonline.org/article.php?sid=4183>

"School Funding Services Grant of the Week" - Each week School Funding Services, a division of New American Schools, features a new grant on their website. This week they highlight the Inspiration Software Inspired Teacher Awards. <http://www.schoolfundingservices.org/newsViewer.asp?docId=2546>

"FastWEB" - FastWEB is the largest online scholarship search available, with 600,000 scholarships representing over one billion in scholarship dollars. It provides students with accurate, regularly updated information on scholarships, grants, and fellowships suited to their goals and qualifications, all at no cost to the student. Students should be advised that FastWEB collects and sells student information (such as name, address, e-mail address, date of birth, gender, and country of citizenship) collected through their site. <http://www.fastweb.com/>

"Federal Resources for Educational Excellence (FREE)" - More than 30 Federal agencies formed a working group in 1997 to make hundreds of federally supported teaching and learning resources easier to find. The result of that work is the FREE website. <http://www.ed.gov/free/>

"Fundsnet Online Services" - A comprehensive website dedicated to providing nonprofit organizations, colleges, and Universities with information on financial resources available on the Internet.
<http://www.fundsnet services.com/>

"Department of Education Forecast of Funding" - This document lists virtually all programs and competitions under which the Department of Education has invited or expects to invite applications for new awards for FY 2003 and provides actual or estimated deadline dates for the transmittal of applications under these programs. The lists are in the form of charts -- organized according to the Department's principal program offices -- and include programs and competitions the Department has previously announced, as well as those it plans to announce at a later date. Note: This document is advisory only and is not an official application notice of the Department of Education.
<http://www.ed.gov/offices/OCFO/grants/forecast.html>

"eSchool News School Funding Center" - Information on up-to-the-minute grant programs, funding sources, and technology funding. <http://www.eschoolnews.com/resources/funding/>

"Philanthropy News Digest-K-12 Funding Opportunities" - K-12 Funding opportunities with links to grantseeking for teachers, learning technology, and more. <http://fdncenter.org/funders/>

"School Grants" - A collection of resources and tips to help K-12 educators apply for and obtain special grants for a variety of projects. <http://www.schoolgrants.org>

Individualized Curriculum and Assessment Notebook

ICAN News

112 School Districts 4 Universities 8000 teachers 100,000 students

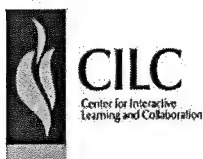

ICAN is growing around the state! Teachers, parents, students, administrators and Universities are seeing the power this tool has to offer. From curriculum alignment, standards-based planning and assessment, to powerful data analysis and student/parent communication tools, ICAN offers ONE seamless package **FREE** of charge through the Indiana Department of Education. The list of supporters doesn't stop there!

On Nov 14, **Technology Coordinators** from Districts across Indiana gathered to brainstorm enhancements and expansions to ICAN. Integration with other products, accessibility, and data warehousing were prioritized and are currently in the vision. Sharing information with other applications will make the tool richer and more flexible than ever.

Throughout 2002, representatives from ARTS organizations such as **Connor Prairie, Eitleljorg, NCAA** and more attended ICAN training. These organizations are excited about linking programming to Indiana Academic Standards and serving the needs of teachers across Indiana. Teachers will be able to log on to a State Library where they can access Arts Organization's programs by grade level, subject, standard, and digitized resources.

Parents are now using ICAN to view standards, create individualized goals, and track their child's progress. Parents also love the quality of information they receive from ICAN Reports. One parent states, "The information empowers me to be an active participant in my child's education. I know her strengths and weaknesses and I can help." Parents are eager to access their child's own secure website where they can view reports teachers have posted and electronic evidence such as video clips of their child's performance.

Pilot Site applications are now being accepted on a monthly basis. Trainings for individual teachers and parents are also available. Log on to www.icantech.com for training dates and information or contact Norm Leonard at nleonard@nike.k12.in.us

Sports Update

Boys Results from CSSD - Indiana 72 - Whitney Young 35 In the first round of the CSSD Tournament we breezed away against the #8 seeding team, Whitney Young. The Player of the Game was Andy Choate.

Indiana 65 - Texas 45 The second game of the CSSD, we played well against Texas's different transitional defensive schemes. We took the advantage to use a full court press to pull away for the victory. Almost of all players got to score in the game. The Player of the Game was Andy Choate.

Indiana 49 - Maryland 50 Facing last year's runner up in CSSD and the #2 seed, we played a tough man-to-man defense as our offensive rhythm was not sound. In the first half we played too tensely and did not execute our game plan as intended. After being down by 8 points at the half (21-29), our boys came out to play a hard, aggressive man-to-man defense. We finally cut our deficit and took a one-point lead in the 4th quarter with approximately 1 minute left. We had 3 possessions for an opportunity to score. Unfortunately, there were bad passes during our first offensive motion. Second, we intercepted the ball and passed the ball to a wide-open teammate on the fast break, but it hit the player's leg and went out of bounds. And lastly, our player defensively rebounded Maryland's shot, but he lost balance and the ball slipped into Maryland's hands. Maryland took a time-out with 4 seconds left. Our goal was to foul them quickly before the shot to trim down the seconds while we had five team fouls. However, we missed the foul opportunity and Maryland guard, Rob Simms managed to shoot a 12-foot baseline shot with our hands in his face. The ball went in with nothing but net at the buzzer. Maryland seized their first CSSD Championship. The Player of the Game was the Team's Comeback Effort! Congratulations to the All-Star Selections: Jon Mowl, Andy Choate and Onye Davis. Also, we won the Team Free Throw Championship for best percentage in all three games.

Vision Screening – The Health Center staff will be doing the Annual Vision Screening for ISD students in February. Are you concerned about any student's vision/any student with broken glasses?? Please send Penny Woodward or Ellie a referral with:

❖ The student's name

- ❖ School or department
- ❖ Vision concern
- ❖ Person referring

Or simply call us at Extension 409 with this information. We will need these referrals by February 10. Your referral will then be included in our screening process, and we will send you the results. Thanks to all for your help in this matter.

TV Studio Certification - The Technology Center has the TV Studio Certification Program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio Certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Father's Day Luncheon – The ISD Fathers are invited to a luncheon on February 13 from 8:00 through 1:00. The activities will kick-off in the Multipurpose Room.

Agenda

8:00-8:30	Coffee and Refreshments
8:30-9:00	Getting to Know Others
9:00-10:00	Bilingual/Bicultural Education Activities
10:00-10:30	Student Presentations
10:30	Go to Class
10:45	Preschool Lunch
11:20	Middle School Lunch
11:45	K-2 Lunch
12:15	3,4,5th grade Lunch
12:20	High School Lunch

Please RSVP to Diane Jones, Outreach Department at Dhjones@isfd.state.in.us or 317-924-8418 with the following information:

Name: _____ Child's Name: _____
 Grade: _____ Time of Arrival: _____

TV Certification - The Technology Center has the TV Studio certification program that any ISD staff can obtain to gain privileges for using our TV Studio and Editing Room. More information about TV Studio certification can be found under "TV Studio Certification" on the @ISD web site (<http://atisd>). If you are interested, please contact Technology Center staff.

Sports Update

HS Girls Basketball - Illinois 60 Indiana 59 After CSSD was over, almost all of our girls and coaches battled with flu all week before our game with Illinois on their home court. We dressed only 7 girls for the game with 5 players still recovering from the flu. The team started off nicely and built a comfortable lead as game went on until the last four minutes of the game. Our girls' energies dropped to zero as the game was getting to the end. Illinois made a great 4-minute comeback by presenting a strong woman-to-woman defense by wearing us down fast. Before their great comeback, we were leading by 12 points. We tried to maintain the lead, but our fatigue and missed free throws gave the game away. Coach Kramer gives credit to Illinois for not giving up. They overtook the lead by making one of two free throws with 2 seconds left. The Player of the Game was Pia Marie Paulone (20 points; one of two healthy girls trying to carry the whole team by herself). Our current record is 13 – 8. Our next game is at our Sectional against Class 1A #7 Clinton Prairie on Friday, February 14th.

HS Boys Basketball - Indiana 79 - Illinois 60 In spite of our CSSD loss, the visiting Deaf Hoosiers still remained in high spirits for a victory over Illinois. Our goals are to finish the season strong and prepare for sectional playoffs in March. We jumped in with a good first half start to the game. The second half was a slower game due to sensitive fouls that were called and a stubborn Illinois who cut their deficit to 11 points. However, the Indiana coaches were pleased with the leadership of the boys. They took over and controlled the game but were coachable on the floor. Overall, both teams shot over 30 free throws attempts each.

Senior guard, Andy Choate, is on a streak with 15 straight free throws made without a miss in the last 5 games. He was 4 for 4 in free throws against the Tigers. The Player of the Game was Onye Davis. Our current record: 12 – 5.

Welcome, Becky Morris to Middle School - Hello! My name is Becky Morris. I am a graduate student from William McDaniels College, formerly known as Western Maryland College. From February 2 through April 17, 2003, I will be working in the Middle School Department under the guidance and direction of Pamela Gatto in language Arts and Social Studies. Born and raised in the Show-Me State, I am the third daughter of Deaf parents, Frankie Lee (Tuffy) and Wilda Morris. While working and developing as an interpreter, I attended the University of Missouri at Columbia to receive my B.S. in Secondary Education in language Arts and finished an internship at the Missouri School for the Deaf in Fulton, Missouri. Taking the advise of several ISD alumni who were working gat MSD. I explored the program in Westminster, Maryland and began studying there in the summer of 2000. Now, nearly at the end of my coursework, I am at ISD to take on the challenge and adventure of student teaching. During my first week at ISD, everyone has been very kind and helpful. I look forward to the next nine weeks!

Becky Morris (left) and her Mentor Teacher, Pamela Gatto

Toys Needed – Cathy Pardee is in need of some toys for counseling with the younger students. These toys are specific for counseling purposes and will be used for that purpose only. Cathy has listed below examples of the toys she needs. If you have or know of toys (on the list below) in at least fair condition that you are willing to donate, please contact Cathy by email (cpardee@isfd.state.in.us) or by phone (920-6295). Thank you for your help.

- ❖ Play kitchen - sink, stove, refrigerator
- ❖ Play dishes, pans, food, baby food, baby bottles
- ❖ Play baby bed
- ❖ Dolls (baby dolls, family dolls - mom, dad, brother, sister, baby - multicultural)
- ❖ Doll/baby clothing
- ❖ Animals/animal families
- ❖ Animal figures such as cows, pigs, cats/dogs, lions, tigers, sharks, etc. as well as alligators, snakes, dinosaurs, etc.
- ❖ Bop bag- punching bag (stand up punching bag)
- ❖ Batakas/foam rubber bats
- ❖ Toy soldiers
- ❖ Cars, trucks, airplanes
- ❖ Fire truck, ambulance, police (emergency vehicles)
- ❖ Medical/doctor "kit"
- ❖ Legos, building blocks

Spread the Word - We have created a new flyer to promote our upcoming *Clerc Classic IV High School Basketball Tournament and Cheerleading Competition* that ISD will host December 10 - 14 2003. We have created a home page on our website which contains just this flyer, but in time, this home page will be expanded to include much more information about the tournament. We will include directions to the school, game summaries, possibly near-live game scoring, local weather forecasts, and many other neat things. You can find it at <http://www.deafhoosiers.com/ClercClassic>. Let Jay Krieger know if you need him to send you, as an attachment, a file containing the flyer in case you need to print in a better quality.

The Center for Interactive Learning and Collaboration presents

Powerful Presentation Strategies for the Classroom

Designing and Delivering Dynamic Presentations

Looking for ways to jazz up presentations? Whether you are delivering content to adults or to students, there are researched strategies for making it more interactive, exciting and powerful. Participants will explore adult learning needs and discover techniques and strategies that will actively engage adults in presentations. Participants will discuss how these same activities can be modified for classroom use. This workshop is a must for those who provide learning opportunities and want to make their presentations more powerful.

About the Presenter

Rhonda Hays is one of the most sought-after, professional-development providers in Indiana. She is Director of Curriculum and Professional Development for North Adams Community Schools. Rhonda serves on the Board of the Indiana Staff Development Council and serves on the state's professional development cadre. She has also served as the presentation and coaching trainer for the Indiana Four-Block Literacy Coaches and for Indiana's Staff Development Boot Camp. Participants say, "Rhonda makes it fun and practical and you walk out knowing you can be successful."

Target: Administrators, Teachers, Curriculum and Professional Development Directors, PL 221 teams,
Audience: Community and Business partners
Date: February 18th
Time: 4:00–5:00 p.m. (Indianapolis time)
Cost: \$50 per site entitles you to unlimited participants and all handouts.
No refunds available. Schools pay their own line charges.

Registration Information:

- ◆ Registration deadline is **Tuesday, February 11.**
- ◆ For more information, contact Tonia Carriger at 317.231.6587.
- ◆ All programs may have multiple viewing sites; there are no point-to-point connections available.
- ◆ *Registrations will be taken on a first-come–first-served basis. CILC reserves the right to close registrations when workshops have reached maximum capacity or to cancel workshops that do not attain minimum requirements.*

Education Staff - If you have a pager or a cell phone and are able to contact the school to indicate you are late, please contact Pam Lewis at 924-8402 or Plewis@isfd.state.in.us. You may also contact your department, but you **MUST** contact the Principal's Office too. We understand that you can't if you do not have a Wyndtell-like pager or cell phone.

The Center for Interactive Learning and Collaboration presents

Creating a Professional Learning Community by Building Collaborative Teams with Rhonda Hays

How does a group become a collaborative team? Schools across the country are trying to break the isolation that teachers have known for so long to develop collaborative teams that impact student learning. Participants will:

- examine the stages of group development;
- discover the seven norms of collaboration;
- explore how trust is developed and is the key to successful collaboration;
- learn the difference between dialogue and discussion; and
- look at conflict develop techniques to deal with it.

This workshop is an excellent opportunity to invite your community partners to join you. Skills of collaboration should be used in every business and social service agency as well as in our schools.

About the Presenter

Rhonda Hays is one of the most sought-after, professional-development providers in Indiana. She is Director of Curriculum and Professional Development for North Adams Community Schools. Rhonda serves on the Board for the Indiana Staff Development Council and is a member of the state's professional development cadre. She has also served as the presentation and coaching trainer for the Indiana Four-Block Literacy Coaches and for Indiana's Staff Development Boot Camp. Participants say, "Rhonda makes it fun and practical and you walk out knowing you can be successful."

Target Audience: grade level teams, content area teams, and those included in audience described above

Date: March 6th

CILC presents a four-session series

Writing Across the Curriculum

This four-session series is just the thing for any school that has included any of the goals listed below in their P.L. 221 School Improvement Plan:

- *improve student writing*
- *align all content area curriculum to standards*
- *improve ISTEP+ language arts scores*

Dr. Bailey will ensure that participants can:

- *bundle the standards*
- *discover the types of writing that can be used in any content area classroom to increase student learning*
- *assess writing*

About the Presenter

Dr. Kevin Sue Bailey is a professor at Indiana University Southeast, where she teaches pre-service teachers and directs the newest site of the National Writing Project. Dr. Bailey has been one of the lead trainers for the Indiana Writing Initiative (IWIN). She also consults with middle and high schools throughout Indiana. Teachers often say that working with Kevin Sue was the turning point for their career. She models best practice and inspires educators but keeps her sessions teacher-friendly.

Target

Audience: Educators in all content areas who teach grades 6-12

Dates: February 26, March 12, April 16, and May 13

Time: 4:00–5:30 p.m. (Indianapolis time)

Cost: \$250 per site includes access to all materials* and unlimited participants.
No refunds available. Schools pay their own line charges.

Registration

The Center for Interactive Learning and Collaboration presents

Between the Covers Series: Book Talks for Elementary Teachers

with Dr. Penny Gaither and Mark Shoup

Join Dr. Penny Gaither and Mark Shoup for a fast-paced hour of book talks and ideas for using picture books and children's literature in the classroom. In addition, participants will be able to download a treasure of a book list from the CILC website. Penny and Mark, who are trainers for the Indiana Writing Initiative Coaches Institute, bring a blend of humor, enthusiasm, and practical experience to their presentations.

About the Presenters

Dr. Penny Gaither is an independent consultant and literacy specialist. She serves as a consultant to the Indiana Department of Education. Dr. Gaither is also a trainer for Dr. Ruby Payne's *aha!* Process, Inc., which specializes in helping educators understand how to help students who come from generational poverty.

Mark Shoup is a former teacher who now serves as Director of Community Relations for the Indiana State Teachers Association. He is a head trainer for the Indiana Writing Initiative (IWIN) and works with schools throughout the country.

Target Audience: Elementary educators

Date: February 25th

Time: 4:00–5:30 p.m. (Indianapolis time)

Cost: \$100 per site allows you to have unlimited participants and access to all handouts.
No refunds available. Schools pay their own line charges.

Sport: Indiana Varsity Girls' Basketball – Clinton Prairie 72 Indiana 43
We were no match against #10 (Class 1A) Clinton Prairie in Sectional #54. Most of their starters were the tallest team (6/2, 6/1, 5/11, and 5/10) we faced this year. We had

problems almost all night with our rebounding against their tall players. Elsie Ritchie needed to score 23 points in order to achieve her 1,000-point milestone, but ended the night with 18 points. This loss ended our season. It is always sad to bid adios to our five departed seniors in Erica Hossler, Jorjan Jeter, Pia Marie Paulone, and Elsie Ritchie along with our manager, Kortney Chew.

Players of the Game: Four Seniors (Erica Hossler, Jorjan Jeter, Pia Marie Paulone, and Elsie Ritchie) for scoring 39 of 43 points.

Current Record: 13-9

Ken Kramer, coach

Sports Update

HS Boys Swim Sectionals - We competed in the HS Boys Sectional last night. We swam against fourteen different teams. Many boys on the team did their personal best.

- ❖ Clayton Anderson in the 100 Free
- ❖ Trevor Baldwin in the 200 Free
- ❖ David Magnabosco in the 100 Back
- ❖ Galen McCallum in the 100 Free
- ❖ Ben Taylor in the 50 and 100 Free

Jeremy Wright broke school record in the 200 Free. The new school record is 2:27.3 which is also Jeremy's personal best. The boys relay (G. McCallum, B. Taylor, J. Wright & C. Anderson) advanced to the 200 Medley Relay and 200 Free Relay. They will be swimming tomorrow afternoon at 2 PM at Carmel High School. Come and support us! Coaches Caraboa, Graves & Anderson want to thank the team's two senior boys - CL Young and Scottie Miller. Both were very dedicated to the success of ISD Swimming Team.

HS Boys Basketball

Indiana 48 - Bethesda Christian 65

We lost to quick and shooting team; we could not control the tempo of the game. We jumped off to a good start in first quarter, 17-13. But, Bethesda fought hard to come back and dominated in the second quarter as we struggled to score. With the score of 22-34 at half-time, we tried to comeback and cut the deficit, but Bethesda controlled the ball and we lost our poise in the entire second half. However, it was an improvement against this team as they smashed us last year, 91-61. Farewell to our seniors who played their final game on our Orioles' home court. Our current record: 14-6.

Training Opportunity

"It's My Choice...Getting Started with Person Centered Planning" Presented by the Waiver Information Network (WIN) All workshops will be held from 10:00 a.m. - 2:00 p.m., (local time). Please bring a brown bag lunch; soft drinks will be provided. There is no cost to attend; however, due to limited seating, registration is

required. The Waiver Information Network (WIN) will conduct "It's My Choice...Getting Started with Person Centered Planning" in seventeen cities throughout Indiana.

Why come? All people, including people with disabilities and their families, have hopes and dreams for the future. Sometimes we can work towards those hopes and dreams on our own, but many will need support and planning to be achieved. Person Centered Planning (PCP) brings people together to talk, listen, and plan about the goals people with disabilities and their families want to achieve. PCP provides a time to talk about the things someone likes to do, what they don't like to do, what are individual strengths, and what may be barriers to reaching goals. It is a way to think, talk, and plan about where someone is going and what kinds of supports they need to get there.

Who should come? "It's My Choice...Getting Started with Person Centered Planning" is designed primarily for family members who have a loved one with a developmental disability and people with developmental disabilities. It will be particularly helpful to those who are receiving, or who have been targeted to receive, home and community based services from a Medicaid waiver. Families who have a young adult who is transitioning out of special education services will also find it helpful. Participants will not only learn about Person Centered Planning, but will also begin to develop Person Centered Plans using the "It's My Choice" workbook. All participants will receive a copy of the "It's My Choice" workbook to take home.

Announcements

From Brown and Willard Cafeterias - Due to the shortage of dietary staff today, we will be using paper products, and the menu will stay the same.

Telephone – The school's 924 phone exchange is not working. Incoming calls are not coming into the exchange. It has been reported to SBC.

Closed – The Alumni Hall Library will be closed today.

NEWSFLASH - Everyone is invited to see the Sunshine group on Sunday, March 2 at 7:00 pm in the KRC. ALL students are invited, both day and residential. After the show the group will have a workshop for HS students for approximately 30 minutes. Come and enjoy the show!

New Placements for BSU Participants - The following is the placement for the BSU Participants for this rotation starting on Monday, February 24:

Preschool	Allison Baker - Cynthia Reynolds Holly Wolsiefer - Cami Cass
Elementary	Michelle Ray - Kara Knebel Beth Adams - Becki Philhower Renee Goodwin - Marie Kellam-Cook Jamie Nantz - Toni Wolfe Kim Jonkman - Heidi Morris Laraine Catt - Sandy Hakes
Middle School	Alli Hudnall Hannah Lamey Myriah Dixon
High School	Erin Harrington Crissy Williams Sara Meckler Laura Cavera

New Appointees - We are pleased to announce that Governor O'Bannon has made the following appointments to the Indiana School for the Deaf Board:

- ❖ Georgene Duncan of Munster, Indiana - Ms. Duncan is the Executive Director of Deaf Services, Inc. in Merrillville, Indiana. In this role, she regularly works with deaf and hard-of-hearing individuals in the northwestern part of the state. She has twenty-four years of experience in working with the deaf community and has extensive program, personnel, and budget management experience. She has a Bachelor of Arts Degree in Business and Communication from Indiana University Northwest.
- ❖ Denise Thompson of Huntingburg, Indiana - Ms. Thompson is a teacher for deaf and hard-of-hearing children in Jasper, Indiana. She also serves as an educational consultant for deaf and hard-of-hearing children in Dubois, Spencer, and Perry counties. She has thirteen years of experience and has held a number of leadership positions in the field of education. She has Master of Education degree from Indiana Wesleyan University and has also been actively involved with the community in the southern part of the state. Please join us in welcoming Denise and Georgene to the ISD Board. - Scott Jensen, Chairman, ISD Board

Artist in Residence - Tim Ryan, our Artist in residence, spends Mondays and Wednesdays with the MS/HS art students for approximately a month-and-half. He is working with Middle and High School students with clay. We are working on clay to create masks, hands, and personality to create a mural for the school. Please feel free to stop by to see students clay work and give a welcome Tim Ryan to ISD.

CAMP WILLARD - Camp Willard is a summer camp for Deaf & Hard of Hearing children held at the beautiful 2760-acre Tippecanoe River State Park in Winamac, Indiana. Camp Willard is named after William Willard, the founder and the first superintendent of the Indiana School for the Deaf. Two camping sessions are offered each year. Session I is a traditional camp experience for children entering 3rd through 6th grades. Session II is an outdoor challenge program, designed for children entering 7th through 12th grades. Both sessions will allow campers to heighten their awareness of the natural world and reinforce concepts of environmental science through hands-on activities. Campers are encouraged to work cooperatively, solve problems, and discover their own relationship with the environment. The primary language at Camp Willard is sign language, and all Deaf and Hard of Hearing children are welcome, regardless of signing experience.

CAMP WILLARD GOALS - The Student Life Division at the Indiana School for the Deaf has identified the following goals for Camp Willard:

- ❖ Provide opportunities for communication.

- ❖ Provide opportunities for awareness of and exchange between cultures.
- ❖ Provide opportunities for socialization with peers and adults.
- ❖ Provide opportunities for hands-on experiential learning, personal growth and leadership development.
- ❖ Promote awareness of healthy living.

THE STAFF - Camp Willard is staffed by staff members from the Student Life Division of the Indiana School for the Deaf. The skilled ISD staff brings experience in education, American Sign Language (ASL), Deaf culture, and student leadership. They also bring training & expertise in the wide variety of outdoor activities offered at Camp Willard. Together, they promote and model a bicultural and bilingual experience.

DATES - Session I - June 15 to 20, 2003 (Traditional Camp for 3rd to 6th Grades)

Session II - June 22 to 27, 2003 (Outdoor Challenge for 7th to 12th Grades)

APPLICATION TIMELINE - Application deadline: May 30, 2003 Please call 317.924.8403 TTY or email at mbippus@isfd.state.in.us for an application.

COST & FINANCIAL AID Session I & II: Indiana Residents—\$200 Out of State Residents—\$350 Scholarships available for ISD students only

Sports Update

HS Boys Basketball - Indiana 80 - Morton Memorial 43 We notched our 15th win, which it is the most wins in a season for more than decade. We played our final regular game of the season at their home court. Our next game is next Tuesday in sectional. We will rematch against Covenant Christian as we beat them in the early part of the season. The Player of the Game was Onye Davis; he broke school record for most rebound in a game with 33! Congratulations to Onye!!! (The previous record was 27 rebounds by Robert Haney.) Our current record is 15 - 6.

MS Swimming - We were against the Wayne Township schools. We lost the game but did improve some times. The girls' score was 6 - 81. The boys score was 19 - 60. The swimmers who improved their times were:

- ❖ Casey Analco in the 100 Breast

- ❖ Corey Burton in the 100 Back
- ❖ Matthew Holsinger in the 200 Free and won 1st Place in the for 400 Free
- ❖ Jaime Winslow-Johnson was in 1st Place in the 50 Free
- ❖ Tahnee Brink in the 100 IM and 100 Breast which was a new Middle School for the 100 Breast.

HS Boys Sectional Number 54 at Tri-Central (6 Teams)

Tuesday, March 4th

6:00 pm Game 1 - Clinton Prairie vs. Rossville

7:30 pm Game 2 - **Indiana Deaf School** vs. Covenant Christian

Friday, March 7th

6:00 pm Game 3 - Winner of Game 1 vs. Winner of Game 2

Transcending the Methodology Debate: Counseling Tools for Discussing Language

and Communication Options - This event is the 4th in a series of topics requested by providers who serve children who are deaf, hard of hearing, or hearing impaired. This series is intended to provide networking opportunities for providers to share ideas and know who is serving this low incidence population. Participants will review highlights of the previous topic on Counseling Families with Newly Identified Children with Hearing loss, and will discuss tools for talking about options in a way that supports fully informed decision-making. Louise Fitzpatrick, a Language Specialist for the Assessment Center, will share tools for talking about language development and techniques for supporting language development, applicable across all languages. Cindy Lawrence, Assistant Director of Outreach will facilitate a parent panel with parents who have made a variety of choices in communicating with their children. Participants will receive handouts and a copy of the Indiana Family Resource Guide for families of children with Hearing loss.

When: March 7, 2003

Time: 9:00am-12:00pm

Cost: \$20 (payable at the door, if paying via check, please make the check payable to ISD)

Where: Indiana School for the Deaf

1200 E. 42nd St.

Indianapolis, IN 46205

Held in the Preschool Bldg., Multi-purpose room

RSVP: To Anika Neal by February 28, 2003 Aneal@isfd.state.in.us 317-920-6311

DHHS CEU: .3 CEU (Category 2 for EIC and IIC Holders)

HANDS ALIVE!"- Young Deaf Arts Festival - We want to let our friends in the Deaf Community know that our annual "HANDS ALIVE!" Young Deaf Arts Festival is coming up. Every year, the students from the Indiana School for the Deaf participate in three competitions: Art, Literary and Talent. Shows open to the public are: Category shows on Monday, March 17 at 9:00 AM (Elementary) and 12:15 PM (Middle School) and Tuesday, March 18 at 9:00 AM (High School). The admission for these shows is \$5 per person. The "Show of the Champions" will feature the winners from the category shows and this show will be held on Thursday, March 20 at 7:00 PM. The admission for this show is \$8 in advance or \$10 at the door. All shows will be held in the Auditorium in the Main Building. For tickets or more information, please contact Melba Bippus 8:00 AM to 3:00

PM at TTY (317) 924-8403 or email: mbippus@isfd.state.in.us or Deneese Krumm 3:00 PM to 8:00 PM at TTY (317) 920-6249 or email: dkrumm@isfd.state.in.us.

Mayor's Community Service Award

Davina Brimmer

2003 Youth Winner

Every student at Gallaudet University is required to complete a specific number of community service hours. Davina Brimmer, a junior elementary education major, has far surpassed the 60-hour requirement and become a leader on campus.

"I like to made people realize that deaf people can help those in need," Davina said. "I love to give back to the community, because the community has given me so much in return."

Last weekend, Davina helped organize a 30-Hour Famine to raise thousands of dollars for World Vision. The group of students she organized raised money through fundraising events, stopped eating for 30 hours, and volunteered for community service projects. All funds raised will be sent to World Vision, who will send the money to starving children around the world. Over one million youth participate each year in World Vision's 30-Hour Famine.

Davina was first introduced to the project when she was at the Indiana School for the Deaf. Her sophomore year at Gallaudet she met another student who had the same experience. Together, they brought the idea to Robert Traina, Coordinator at Community Service Programs, and started recruited others on campus.

"Davina is a proven leader," Traina said. "She knows what it takes to make herself a wonderful employee someday."

In 2002, 34 Gallaudet students participated in the project led by Davina and her friend, sending \$3,200 to World Vision to help a young girl named Vilma in Peru. This year, the money raised will again be send to Vilma through World Vision. Next year, Davina plans on being the director of the 30-Hour Famine and hopes to send the money to a child that is hearing impaired.

Service has always been a part of Davina's life, and she continues to serve the homeless and lead fundraising activities. In the Community Service Program, she is a group leader and supervises freshman on weekend events.

Engaging Young Readers: *Comprehension Strategies that Work*

Looking for ways to engage readers in the classroom? This session will focus on strategies that hook children and lead to better reading comprehension. Learn effective teaching/learning strategies—specific to *before reading, during reading, and after reading*—that enhance comprehension, whether used with an individual child or a group of children.

About the Presenter

Kimberly Tyson, the featured presenter, has been a classroom teacher, professor and educational consultant in classrooms ranging from kindergarten to graduate level. Her expertise is in literacy, specifically reading. Kimberly Tyson earned a doctorate from the University of Missouri-Kansas City; honed her testing, diagnosing, and remediation skills while working in a reading clinic; and continues today in a private practice setting. Her experience includes writing classroom curriculum and language arts sections for a standardized testing series. While teaching at the college level, she developed and directed college level Learning Centers that enabled students with learning disabilities to be successful in the college classroom.

Target
